This form tells us how to set out the furniture for your wedding.

Both your Event Manager at The Mill Barns and your Catering Manager at Jenkinsons will also require a copy of your detailed seating plan. Your seating plan should indicate where every guest is seated and if they have any special dietary needs which are being catered for, ie. vegetarian, vegan, child's menu.

We can highly recommend <https://www.toptableplanner.com/> which is a brilliant online tool to help you do this.
