THE MILL POND BARN SET UP NOTES

TOP TABLE – Our oval Top Table can comfortably seat:

- 6 people across the back or
- 12 people across the back and around the curved ends or
- 16 people seated all around it

After the Wedding Breakfast your Top Table is transformed into the Evening Buffet serving area (the chairs are distributed onto other tables.)

DINING TABLES – 8 to 10 guests around a table is the optimum number but we can set a maximum of 12 places per table.

HIGHCHAIRS – 3 highchairs are available from The Mill Barns.

Please note, the drawing is not to scale and is subject to change once we have the furniture in place. Thank you.
